

Seed Aadhaar in your PRAN

Now you can seed your Aadhaar in your PRAN. To add/update Aadhaar in your PRAN, please log-in to your NPS account and follow the steps given below:

- 1. Click on sub menu "Update Aadhaar/Address Details" under the main menu "Update Details".*
- 2. Select the option "Add/Update Aadhaar Number".*
- 3. Submit your Aadhaar Number.*
- 4. Enter OTP received from "UIDAI" on your registered mobile number.*
- 5. After Authentication through OTP, Aadhaar will be linked to your PRAN.*

Note:

- 1. Name registered against your PRAN should exactly match the name as registered with "UIDAI".*
- 2. A Subscriber is required to seed the Aadhaar in his / her PRAN through the above process even if Aadhaar was provided earlier.*
- 3. For Government Subscribers, the Aadhaar seeding process will be completed once the request initiated by a Subscriber is authorised online by his /her respective Nodal Office.*
