Online PRAN Generation Module (OPGM) For GDS subscribers

Verification and Authorization of Subscriber Registration process flow by NL-AO(s)

Once the process of initiation of subscriber registration is completed by the subscriber/NL-CC/NL-AO, two level verification process will be done by NL-AO.

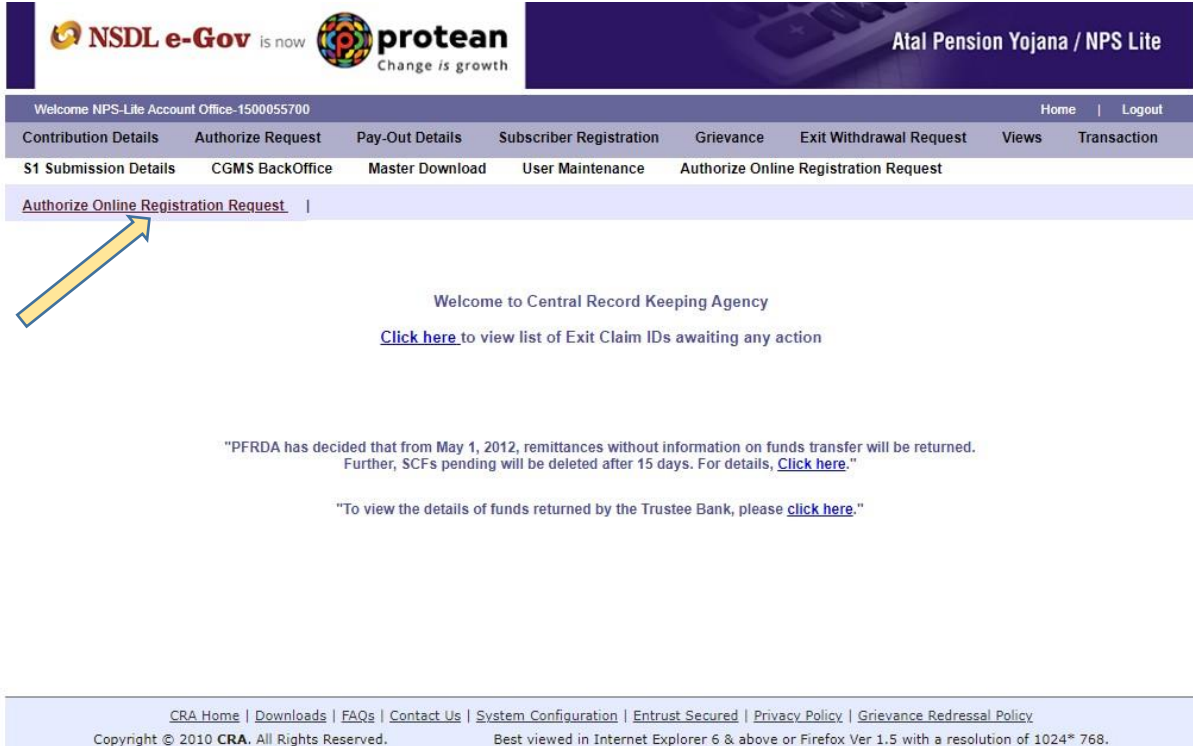

- NLAO visits web site <https://apy.nps-proteantech.in/CRALite/> and login with user id and password.

The screenshot shows the login interface for the NPS Lite portal. At the top, there is a header with the NSDL e-Gov logo, the protean logo, and the text "Atal Pension Yojana / NPS Lite". Below the header, there is a navigation bar with the text "Are you a subscriber in". The main content area features a "Login to Your Account" form. The form has two radio buttons for authentication: "I-PIN" (selected) and "DIGITAL CERTIFICATE". Below these are input fields for "User ID" (containing "1500055700"), "Password" (masked with dots), and "Enter Captcha" (containing "8 2 + 3 = 85"). There are "Submit" and "Reset" buttons, along with an "Entrust" logo. Below the form, there are several links: "Reset Password", "Check Subscriber Registration Status", "Check Subscriber Withdrawal Status", "Grievance Module for APY & Swavalamban Subscribers", "APY Upgrade View", "APY Downgrade View", "APY/NPSlite ePRAN - SOT View for Subscribers", and "Aadhaar Seeding for APY Subscribers".
