On successful authorization of request by Nodal Office/POP, same will get executed in the CRA system and Funds will be transferred to Subscriber's Bank Account within stipulated withdrawal timeline as mentioned below.

Withdrawal Timelines:

- The process of withdrawal involves redemption of applicable units from Subscriber's NPS account and then transfer of funds in Subscriber's Bank Account.
- In CRA system, redemption and investment of units happens only on working day (excluding, Saturday, Sunday and holidays) which is called a Settlement Day.
- If request is submitted (authorised) before cut-off time of settlement (before 10.30 AM*) on settlement day in CRA, then request is considered for processing on same working day. The redemption of units happens on same working day (Day T) with NAV of same working day (Day T) and then fund transfer happens on Day of redemption + 2 working days. *For example, if request is submitted/authorised on January 2, 2024 (at 9.30 am), the request will get considered for processing on same day, redemption of units will happen on January 2, 2024 with NAV of January 2, 2024 and fund transfer will happen on January 4, 2024.*
- If request is submitted (authorised) after cut-off time of settlement (after 10.30 AM*) on settlement day in CRA, then request is considered for processing on next working day. The redemption of units happens on next working day (Day T+1) with NAV of next working day (Day T+1) and then fund transfer happens on Day of redemption + 2 working days. *For example, if request is submitted/authorised on January 2, 2024 (at 01.30 pm), the request will get considered for processing on next working day, redemption of units will happen on January 3, 2024 with NAV of January 3, 2024 and fund transfer will happen on January 5, 2024.*

** Cut-off time for considering request for settlement may extend due to various factors.*
