------------------------	-------------------	---------------

The exit process for eNPS Subscribers is a paperless process wherein eNPS Subscriber is not required to submit any physical documents or not required to visit any Point of Presence (POP) to process his/her Exit request. The Subscriber has **two options** for initiating online Exit request in CRA system as given below:

- Exit through Self-Authorization –This option will be applicable only if the NPS Corpus of the Subscriber is less than Rs. 10 lakh. As part of the withdrawal process, the KYC details of the Subscriber will be verified through Aadhaar based KYC. The request will get processed in the CRA system directly on successful KYC verification & eSign. Verification and authorization of request is not required.
- Exit through Bank-POP Authorization This option will be available if the NPS Corpus of the Subscriber is greater than Rs. 10 lakh or if Subscriber wishes to initiate Exit request with Bank-POP authorization option. As part of the withdrawal process, the KYC details of the Subscriber will be verified by the registered Bank of the Subscriber (registered as Bank-POP in the CRA system).

As per PFRDA guidelines, Exit request processing fee payable to the Bank by eNPS Subscribers is 0.125% of total NPS corpus (minimum Rs. 125 and maximum Rs. 500). For example, if corpus of eNPS Subscriber initiating Exit request is Rs. 90,000 then processing fees payable will be Rs. 125 (minimum amount). In case, Corpus is Rs. 3, 00,000, the processing fee will be Rs. 375 (0.125% of corpus). However, in case corpus is Rs. 7, 00,000 then applicable processing fee is Rs. 500 (maximum). The fees will be collected by the Bank by debiting Subscriber's Bank Account.

You may refer the regulations/guidelines/circulars/FAQs available on PFRDA website (www.pfrda.org.in) / CRA website (www.npscra.nsdl.co.in) for more information on exit under NPS.

#### 4. Procedure for Processing Online Exit request of eNPS Subscriber

#### A. <u>Pre-requisite for Exit:</u>

The 10 digit Claim ID is required to initiate Exit request. Claim ID is generated by CRA six months before attaining the age of superannuation/attaining 60 years of age. The Claim ID is communicated to eNPS Subscribers through SMS/email alerts by CRA. **At the time of initiating superannuation exit request in CRA, the Claim ID gets auto-populated in online exit request**. In case of superannuation, the Subscriber can initiate the Superannuation Exit request in the CRA system six months before reaching the age of 60 years. Though, request will get executed in the CRA system on completion of 60 years of age/ superannuation.

In case of pre-mature exit, the Subscriber is required to raise online grievance in CRA for generation of Claim ID by accessing CRA system (www.cra-nsdl.com) with PRAN as User ID and password. CRA will generate Claim ID online in the CRA system and communicate the same to Subscriber. On receipt of Claim ID from CRA, the Subscriber can initiate pre-mature exit request online in CRA. However, Subscriber can exit from NPS only after completion of 5 years in NPS.

Claim ID is not required in case of a Subscriber, who has joined NPS on or after attaining the age of sixty years. Subscriber can directly initiate the Exit request in the CRA system whenever he/she wishes to exit.

Further, the Subscriber should ensure the following before initiating Exit request:

- ✓ Clam ID is available for PRAN.
- ✓ PRAN is FATCA Compliant. Also, Subscriber details (such as PAN, address, contact details, Bank details, nomination details etc.) are updated in NPS account. If required, Subscriber can update these details online by accessing CRA system (www.cra-nsdl.com) with PRAN as User ID and password. Alternatively, Subscriber may raise online grievance in CRA System.
- ✓ Subscriber is required to submit the Exit request using OTP Authentication & eSign using Aadhaar. Hence, valid Mobile Number and Email ID of the Subscriber should be registered in CRA to receive OTP as part of OTP Authentication. For eSign using Aadhaar, Subscriber's Mobile Number registered with Aadhaar should be valid to receive OTP as part of eSign.

If required, the Subscriber can update above details online in CRA system (www.cra-nsdl.com) by logging with PRAN as User ID & Password. Alternatively, Subscriber can raise online grievance in CRA for modification of details by accessing CRA system (www.cra-nsdl.com) with PRAN as User ID and password and then initiate exit request.

#### B. Brief steps to be followed by Subscriber with Self-Authorization:

This option will be applicable only if the NPS Corpus of the Subscriber is less than Rs. 10 lakh. The Subscriber will follow below steps:

- ✓ Subscriber will initiate online Exit request (Superannuation or Premature) in CRA system (www.cra-nsdl.com) by logging with PRAN as User ID & Password.
- ✓ Subscriber will select the "Exit from NPS" Menu and Self-Authorization option/choice.
- The Subscriber will be required to complete eKYC with any one option viz. Online Aadhaar / Virtual ID / Offline KYC / CKYC / PAN.
- ✓ The Subscribers details such as complete name and date of birth registered with Aadhaar need to match with details registered in CRA. On successful updation of KYC details (Address details), the Subscriber will be allowed to initiate exit request.

Classification: Public	Version No. : 1.2	Page: 8 of 60	
------------------------	-------------------	---------------	--

- ✓ Subscriber again needs to select the "Exit from NPS" Menu and Self-Authorization option/choice.
- ✓ The registered details of Subscriber such as PRAN, contact details, Bank detail, nomination details etc. will be auto-populated. All these details (except nominee details) will be non-editable.
- ✓ Subscriber needs to capture details such as lump sum withdrawal percentage, annuity percentage, Annuity Service Provider, Annuity scheme, etc.
- ✓ Bank details should be correct/valid During request initiation, Bank Account and Name of the Subscriber will be verified through online Bank Account Verification (Penny drop facility). If Online Bank Account Verification (Penny drop) fails, request initiation will not be allowed.
- ✓ Subscriber will mandatorily upload the scanned copies of all the relevant documents such as KYC Documents (Identity & Address Proof), copy of bank proof, copy of PAN and copy of PRAN card/ePRAN etc. The uploaded scanned documents should be appropriate, valid and legible.
- ✓ Subscriber is required to submit the request using Aadhaar eSign. In case of eSign, the OTP will be sent on Mobile Number registered with Aadhaar.
- ✓ On successful eSign of the exit request by eNPS Subscriber, the request will get executed in the CRA System.

#### C. Brief steps to be followed by Subscriber With Bank-POP Authorization:

If the NPS Corpus of the Subscriber is greater than Rs. 10 lakh or if Subscriber wishes to initiate Exit request with Bank-POP authorization option, the Subscriber will follow below steps:

- Subscriber will initiate online Exit request (Superannuation or Premature) in CRA system (www.cransdl.com) by logging with PRAN as User ID & Password.
- Subscriber will select the "Exit from NPS" Menu and Bank-POP authorization option/choice.
- The registered details of Subscriber such as PRAN, contact details, Bank detail, nomination details etc. will be auto-populated. All these details (except nominee details) will be non-editable.
- Subscriber needs to capture details such as lump sum withdrawal percentage, annuity percentage, Annuity Service Provider, Annuity scheme, etc.
- Bank details should be correct/valid During request initiation, Bank Account and Name of the Subscriber will be verified through online Bank Account Verification (Penny drop facility). If Online Bank Account Verification (Penny drop) fails, request initiation will not be allowed.
- Subscriber will mandatorily upload the scanned copies of all the relevant documents such as KYC Documents (Identity & Address Proof), copy of bank proof, copy of PAN and copy of PRAN card/ePRAN etc. The uploaded scanned documents should be appropriate, valid and legible.
- Subscriber is required to submit the Exit request using OTP Authentication / eSign.
  - ✓ In case of OTP Authentication, two distinct One Time Passwords (OTP) will be sent on Mobile Number and email ID registered in CRA.
  - $\checkmark$  In case of eSign, the OTP will be sent on Mobile Number registered with Aadhaar.
- On successful OTP Authentication / eSign of the exit request by eNPS Subscriber, the request will be submitted to the registered Bank of Subscriber (registered as Bank-POP in CRA system) for KYC verification online in the CRA system.
- On successful authorization of request by Bank-POP, the request will get executed in the CRA system.

This document describes the detailed procedure to be followed by the Subscribers and Bank-POPs for processing eNPS Exit request in the CRA system. **The process mentioned below is for Superannuation exit.** *The similar process/steps are applicable for initiation and authorization of Pre-mature exit request. The conditions mentioned above for superannuation, pre-mature, PRAN generation before 60 years & PRAN generation after 60 years as relevant would be applicable while initiating exit request.*

On successful OTP Authentication / eSign of the exit request by eNPS Subscriber, the request will be submitted to the registered Bank of Subscriber (registered as Bank-POP in CRA system) for KYC verification online in the CRA system.

If Subscriber fails to OTP Authentication / eSign Exit request during Exit request initiation process, then an option is available to OTP Authentication / eSign request subsequently. Following steps are required to be followed by the Subscriber:

a) Login to your NPS Account by accessing CRA system (www.cra-nsdl.com) with PRAN as User ID and password

- b) Select Menu "Exit from NPS"
- c) Click on Sub-Menu "Status View"
- d) Click on Acknowledgement No Hyperlink

Classification: Public

Version No. : 1.2

🔞 protean

- e) Details entered at the time of initiation will be displayed
- f) Click on the button "Proceed to OTP Authentication /eSign" displayed at bottom of the page

Further, if Subscriber fails to OTP Authentication / eSign Exit request, his/her request will get auto cancelled after 15 days from the date of capturing of Exit request. In such case, the Subscriber is required to capture new Exit request in CRA system.

#### **Rejection of Exit request:**

If name of the Subscriber as per CRA records and name as per Aadhaar is not matching then eSign will not be possible and Exit request of the Subscriber will get rejected. In such case,

- The Subscriber is required to update his/her name either in CRA records or in UIDAI (Aadhaar) records.
- Subscriber can also opt for 'Bank-POP Authorization' Option and submit Exit request through OTP Authentication.
- Alternatively, the Subscriber can shift his/her PRAN to any other POP and then initiate exit request. The list of POPs is available on this website. The Form UOS-S06 - Change of POP Subscriber is available under "Forms" section, which is available under All Citizens of India sector on the website. The Subscriber needs to submit Form UOS-S06 to desired POP for shifting of PRAN.

## Withdrawal Timelines:

- The process of withdrawal involves redemption of applicable units from Subscriber's NPS account and then transfer of funds in Subscriber's Bank Account.
- In CRA system, redemption and investment of units happens only on working day (excluding, Saturday, Sunday and holidays) which is called a Settlement Day.
- If request is submitted (authorised) before cut-off time of settlement (before 10.30 AM\*) on settlement day in CRA, then request is considered for processing on same working day. The redemption of units happens on same working day (Day T) with NAV of same working day (Day T) and then fund transfer happens on Day of redemption + 2 working days. For *example, if request is submitted/authorised on January 2, 2024 (at 9.30 am), the request will get considered for processing on same day, redemption of units will happen on January 2, 2024 with NAV of January 2, 2024 and fund transfer will happen on January 4, 2024.*
- If request is submitted (authorised) after cut-off time of settlement (after 10.30 AM\*) on settlement day in CRA, then request is considered for processing on next working day. The redemption of units happens on next working day (Day T+1) with NAV of next working day (Day T+1) and then fund transfer happens on Day of redemption + 2 working days. For example, if request is submitted/authorised on January 2, 2024 (at 01.30 pm), the request will get considered for processing on next working day, redemption of units will happen on January 3, 2024 with NAV of January 3, 2024 and fund transfer will happen on January 5, 2024.

\* Cut-off time for considering request for settlement may extend due to various factors.

*Physical Withdrawal Form and supporting documents are not required to be submitted by Bank-POP to Protean-CRA for storage purpose for exit request initiated by Subscriber online in CRA through digital signature (OTP Authentication/eSign) & complete scanned documents are uploaded in CRA.* 

#### **Online Bank Account Verification -**

While processing Online Withdrawal request, Online Bank Account Verification will be carried out. Bank details and Name of the Subscriber will be verified through online Bank Account Verification (Penny drop facility). Hence, Bank account number should be active and operative. Also Name of Subscriber as per CRA and bank record should match. **If Online Bank Account Verification (Penny drop)** fails, Withdrawal request will be rejected.

## 9. Annuity Issuance Process:

On processing of exit request in CRA, the Subscriber details and scanned documents will be shared with Annuity Service Provider (ASP) opted by Subscriber during initiation of exit request, if annuity is applicable. ASP will issue Annuity policy on the basis of details entered by the Subscriber and documents uploaded at the time of initiation of exit request.

If documents uploaded are not sufficient/incorrect or any additional documents required, then ASP may contact Subscriber for completion of annuity formalities. Alternatively, if required, Subscriber may contact ASP. The complete contact details of ASP are available on CRA Website (www.npscra.nsdl.co.in).

On completion of annuity formalities, ASP will confirm Annuity request of the Subscriber online in the CRA system. On successful authorization of Annuity request by ASP, same will get executed in the CRA system and Funds (Annuity Corpus) will be transferred to ASP's Bank Account by Trustee Bank (Axis Bank) within stipulated withdrawal timeline mentioned above.

Annuity policy shall be issued by ASP within T+2 working days of receiving the funds at their end.
