Dear Sir/Madam,

National Pension System (NPS) Service Fortnight (June 27- July 9, 2016)

PFRDA is keen to partner and collaborate with all the stakeholders of the National Pension System (NPS), particularly the Central and the State Governments. We propose to observe NPS Service fortnight on the part of PFRDA for which we seek your cooperation and support, as this fortnight-long campaign will be service-oriented towards the subscribers and aimed at awareness building and improved information dissemination.

2. It has been observed that the subscribers/employees in the Central Government and State Governments are not fully aware of various functions/facilities available under the NPS. A large number of the queries/grievances received from these subscribers pertain to elementary issues like non-receipt of Statement of Transaction, I-PIN, T-PIN etc. However, it is seen that majority of these information gaps are on account of non-availability of the latest contact details of the subscribers in the respective documents/PRANs etc.

3. In order to promote awareness regarding importance of updation of latest contact details in PRANs and to provide basic facilities on the spot, PFRDA will be organizing the NPS Service fortnight from June 27 - July 9, 2016 in all the nodal offices under the Central Government and State Governments. On this occasion, besides sharing information on the range of functionalities and services now available under the NPS, we will also take the opportunity to apprise nodal offices and the subscriber community about the need for constant updation of data/information under various fields to enable the system to operate at its optimum service level. We would

therefore urge all nodal offices to highlight the need for correct and proper details as also regular updation thereof by all employees, particularly the PRANs details, so that the intended benefits now available under the new functionalities, can reach all the employees. Besides, the subscribers will also be able to make best use of this opportunity and facilities available under NPS.

4. We are therefore suggesting that a focussed service-oriented approach may be adopted, particularly during this designate Service Week June 27 - July 9, 2016, and the following activities may be undertaken by the nodal officers in the proposed NPS Service Week:

- Printing and distribution of the subscriber brochure for Govt. subscribers
- Updation of subscriber details through S2 Form
- Conversion of non IRA to IRA compliant status
- Advising subscribers regarding benefits associated with PRAN being IRA compliant and updation of contact details.
- Printing of Transaction Statement for the subscribers and distributing the same on the specific request of the subscriber.
- Updation of nomination details

5. PFRDA will also be advising the CRA (NSDL) in this matter for actively assisting the Nodal Offices in this campaign and providing necessary guidance and further information to the employee-subscribers. We will also be coordinating and overseeing this campaign as also organizing various meetings/workshops in different states as part of our on-going initiative. In case any assistance/clarification is required, you may like to contact Shri Sachin Joneja, Manager, PFRDA at sachin.joneja@pfrda.org.in or Sh. Bibhas Dutta, NSDL at 022-24994558 or bibhasd@nsdl.co.in or Sh. Abhishek Dhuri, NSDL at 022-24004266/abhishekd@nsdl.co.in.

Yours sincerely,

(Ashish Kumar)
